Owned:

Jennifer Klaus stares down, flustered, at the business card in her hand... Mason Carmichael's name, a mysterious and sexy stranger, captures her gaze just like his gray eyes had captured Jennifer in the restaurant where she went looking for a new job. She can't bring herself to call him—he was both confident and intimidating. Just remembering the way he had looked at her makes her hot and her body tingle. But Mason has plans for her. He is fuelled with a deep craving to make her his. When she declines, his desire intensifies until Jennifer cannot help but be swept away in the tornado of daring passion that is Mason Carmichael.

Exposed:

As Tiffany's birthday approaches, she sets out on a mission of thirty experiences to have before she's thirty. When it comes time for skydiving the fear is just too much...that is until she hears a rap on her window she turn and looks into the eyes of her skydiving instructor, who is also the most gorgeous man she has ever seen. Walker is a formerly successful CEO who left the world of business for the freedom of being a skydiving instructor. But he's also hiding a dark desire deep within, and once he meets Tiffany he knows he wants to introduce her to more than just the thrills of skydiving. But Walker also has a history, and one that he is having trouble keeping in the past. Will Tiffany allow herself to be seduced by Walker's commanding sexuality? Or will she flee before he even has the chance?

Indecent:

Audrey Grant is a busy, successful doctor, but she's missing something vital in her private life. She dates and attempts to have an adventurous romantic life, but continually finds herself bored to tears and 'faking it'. Taking the advice of her friends, she makes an appointment with a psychiatrist—dangerously enticing Dr. Evans. From the first instant, she has a connection with him unlike any she's ever experienced before. Will she be just a patient or discover the secrets of the good doctor's special brand of 'therapy'.

Bliss:

When Keira Delane rented the guest house on art collector Matthew Hunter's estate, she never imagined she would become involved with her handsome, wealthy and mysterious landlord. Yet over time she has become a voyeur of Matthew's private life and developed a powerful desire for him that nothing can satisfy. When an unexpected blizzard descends and cuts power to the guesthouse, Matthew takes Keira to the mansion to ride out the storm with him. Keira quickly discovers that Matthew feels the same attraction. Now alone with Keira, he can test the depth of her attraction, but can she submit to his needs, and to all the wild fantasies in his heart?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
