Rust: A Beginner's Guide By

Among one of the more prolific fan tribute games that are occasionally released in the market, Rust is an MMO open world, first person, survival shooter game that draws inspiration from Minecraft, STALKER and DayZ. Rust was created by Facepunch Studios, a creative group of individuals who wanted an alternative to DayZ, which they found rather frustrating to play.

This ebook is the complete beginner's guide to the game. It will walk you through all of the basics of getting started, progressing, and reaching endgame. Tips and tricks are frequent, and by the end of the ebook, you'll pretty much be a Rust pro. Also present in the book:

- *Strategies for gathering blueprints and research kits
- *Guide to in-game resources
- *Overview of food, hunger and health
- *Guide to in-game status effects and how to change them
- *Strategies and weapons tips for hunting each type of wild life and the resources they yield
- *Detailed strategy guide on weapons and tools
- *Detailed strategy guide on armor and other weapons
- *Guide to medical equipment and the various loot chests in-game
- *Strategies for building your first home and tips for making it raid proof against other players

Good luck!
