Street Pharm By Allison van Diepen

A successful teen drug dealer is forced to reexamine it all in this riveting novel, now in trade paperback with a new cover, from the author of *Snitch*.

Ty Johnson knows survival. The supply game's in his blood. And now that he's taken over his pop's business, Ty's smarts and skills have earned him some serious street cred. But Alyse knows nothing about Ty's reputation, and he's determined to keep it that way. She's too beautiful, too brainy, too straight-laced to ever get involved with someone who deals. As long as Ty walks the line, life's pretty sweet.

Then one slip—one serious competitor—and things turn ugly fast. Suddenly Ty's got to rethink his whole strategy. And for the #1 dealer on the streets, strategy is not just about staying ahead. It's about staying alive.
