Editorial Review

Review

"Recommended. Upper-division undergraduates and above." --*Choice*

From the Back Cover

This thoughtful, balanced, and highly readable work provides a masterful sweep of the long and variegated history of India and its current struggle for modernity. Basing his narrative line on the socioreligious tradition of India, the author helps the reader understand how India's past lives on into the present and how the complex interaction among the forces of imperialism, tradition, and modernity have complicated the problems of state and nation building in contemporary India.

Users Review

From reader reviews:

Yvonne Terrell:

This *The Making of India: A Historical Survey* are usually reliable for you who want to be described as a successful person, why. The explanation of this *The Making of India: A Historical Survey* can be one of several great books you must have is definitely giving you more than just simple reading through food but feed an individual with information that perhaps will shock your preceding knowledge.
