Editorial Review

From the Publisher

How can I start my own clothing line is a question asked by many aspiring designers. Authors Jay Arrington and Michael H. have answered this question in what might be one of the best how to books on the fashion industry written to date. "The Official Step By Step Guide to Starting a Clothing Line" is a remarkably in-depth work that puts all the necessary tools at the reader's finger tips. Some of the highlights of this book are finding overseas manufacturers, financing, product distribution as well as insider information previously not available to the general public.

The authors / designers, having created their own nationally renowned clothing line from scratch, bring 5 years of experience and valuable insight to this subject. Their walk through guide is currently available at amazon.com.
