The Shadow Hour (THE GIRL AT MIDNIGHT) By Melissa Grey

The much-anticipated sequel to the book Danielle Page, author of *Dorothy Must Die*, says is "inventive, gorgeous, and epic--Grey dazzles."

Everything in Echo's life changed in a blinding flash when she learned the startling truth: she is the firebird, the creature of light that is said to bring peace.

The firebird has come into the world, but it has not come alone. Every action has an equal and opposite reaction, and Echo can feel a great and terrible darkness rising in the distance. Cosmic forces threaten to tear the world apart.

Echo has already lost her home, her family, and her boyfriend. Now, as the firebird, her path is filled with even greater dangers than the ones she's already overcome.

She knows the Dragon Prince will not fall without a fight.

Echo must decide: can she wield the power of her true nature--or will it prove too strong for her, and burn what's left of her world to the ground?

Welcome to the shadow hour.

Editorial Review

From School Library Journal

Gr 9 Up—In *The Girl at Midnight*, readers met Echo, a pickpocket who ended up in an ancient underground society beneath New York City full of people called the Avicen. Members of this race must remain hidden because of their feathers and their magic. When rumors of an upcoming war reach Echo's ears, she decides to do anything she can to save the people she considers family. Supposedly, if a mythical entity called the Firebird can be found, the conflict will end forever. As a thief, Echo knows there is one thing she is good at—finding items and taking them. The second entry opens as the heroine discovers that she is the Firebird. Now, she must learn to harness her new powers in order to face off against the darkness that comes with the Dragon Prince's arrival. The end battle will find someone close to Echo stolen away, which will set the stage for the final fight, when she will have to resort to her original skills and set out to "steal" this person back. Overall, this is an intriguing paranormal fantasy that focuses on a secret society hidden among everyday, ordinary people. Recommended for teens interested in fantasy worlds and epic battles.
