The VUCA Company By Suhayl Abidi, Manoj Joshi

How Indian companies have faced Volatility, Uncertainty, Complexity & Ambiguity

Failure in itself is not a catastrophe, but failure to learn from failure, definitely is. It is not enough to merely train leaders in core competencies, without identifying the key factors that inhibit their use. Rather, it is resilience and adaptability that are vital in order to distinguish potential leaders from mediocre managers.

Authors Suhayl Abidi and Dr Manoj Joshi bring to readers *The VUCA Company* (Volatility, Uncertainty, Complexity and Ambiguity), the first of its kind in India, on original case studies of 12 Indian corporate failures, since the time of economic liberalization. Each study has been the result of meticulous research over the years and provides insights into behavioural and systemic aspects of failures and under-performance. Through these engaging corporate stories, *VUCA* discusses how individuals and organizations can avoid, minimize and recover from failures.

SUHAYL ABIDI is a practitioner of Organizational Learning & Knowledge Management. He has spent the last 25 years with organizations such as Penguin Publishing, The British Council, Reliance Industries, Essar and Piramal Healthcare.

DR MANOJ JOSHI, PhD (Strategy), Fellow Institution of Engineers India, is a Professor – Strategy, Entrepreneurship and Innovation, Amity Business School. He is the Asia Editor for the International Journal of Entrepreneurship and Innovation and Regional Editor, India for the Journal of Family Business Management.

Editorial Review

Users Review

From reader reviews:

Joseph Bolden:

This book untitled The VUCA Company to be one of several books this best seller in this year, that is because when you read this publication you can get a lot of benefit into it. You will easily to buy this particular book in the book retail store or you can order it via online. The publisher of this book sells the e-book too. It makes you quicker to read this book, since you can read this book in your Cell phone. So there is no reason to your account to past this book from your list.

Consuelo Collier:

People live in this new moment of lifestyle always make an effort to and must have the time or they will get lots of stress from both everyday life and work. So , once we ask do people have time, we will say absolutely yes. People is human not really a robot. Then we request again, what kind of activity do you possess when the spare time coming to you actually of course your answer will probably unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, the actual book you have read is definitely The VUCA Company.

Cara Fultz:

A lot of guide has printed but it differs. You can get it by online on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever by searching from it. It is identified as of book The VUCA Company. Contain your knowledge by it. Without departing the printed book, it can add your knowledge and make an individual happier to read. It is most critical that, you must aware about publication. It can bring you from one location to other place.

Kathy Davis:

Some individuals said that they feel fed up when they reading a e-book. They are directly felt it when they get a half elements of the book. You can choose the book The VUCA Company to make your current reading is interesting. Your own skill of reading proficiency is developing when you including reading. Try to choose very simple book to make you enjoy to read it and mingle the opinion about book and reading through especially. It is to be very first opinion for you to like to wide open a book and study it. Beside that the reserve The VUCA Company can be your new friend when you're experience alone and confuse with what must you're doing of this time.
