Theories of Personality with Connect Access Card
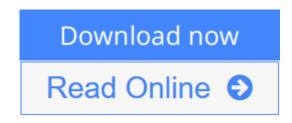

By Jess Feist, Gregory Feist, Tomi-Ann Roberts

Theories of Personality with Connect Access Card By Jess Feist, Gregory Feist, Tomi-Ann Roberts

The 8th edition of*Theories of Personality* follows in the tradition of the previous versions, by centering on the premise that personality theories are a reflection of the unique cultural background, family experiences, personalities, and professional training of their originators. The book begins by acquainting students with the meaning of personality and providing them with a solid foundation for understanding the nature of theory, as well as its crucial contributions to science. The chapters that follow present twenty-three major theories: coverage of each theory also encompasses a biographical sketch of each theorist, related research, and applications to real life. Changes in the 8th edition included a new chapter 8 on evolutionary personality theory, focusing on the work of David Buss. The Related Research sections in each chapter have also been updated.

McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

• SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
• Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
• Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
• The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.
