**Blessed and cursed by their hidden abilities, the Sentinels have no choice but to live, and love, on the edge of humanity...**

The Sentinel assassin, Bas, is facing the greatest challenge of his outcast existence. His young daughter, Molly, has been kidnapped. But her disappearance has brought the return of her mother, Myst, whom Bas has never forgotten--or forgiven.

Haunted by a vision that she's destined to create a weapon that will destroy thousands, Myst was never impulsive--until she met the irresistibly handsome Bas. But with the Brotherhood, the enemy of the high-bloods hunting for her, Myst had to stay on the run, to keep her child, and the world, safe. Now, with the most important thing in both their lives at stake, she and Bas must embark on a treacherous journey to save Molly, to confront the truth of Myst's fate--and to face their fierce desire for one another.
