Born to Love By Leigh Greenwood

A GOOD MAN...

Holt Price had come to Galveston in search of the woman he loved. After the pain, the heartbreak, the terrible devastation of war, he was ready to settle down with the green-eyed beauty he'd pledged to marry. Instead, he found himself gazing into a pair of vulnerable brown eyes that made him long to heal the hurt inside, to bury himself in the softness of a girl who was not his to take.

IS HARD TO FIND

Her mother had always told her she was born to be cherished. But first battles, then duty, then poverty had stolen her chances of happiness. At 26, she was beginning to wonder if she would have to settle for the next man who came along, or reconcile herself to living alone. So how could she turn away from the lover she'd been waiting for all her life? At last, after so many Mr. Wrongs, here was a husband she could honor, the other half of herself, the man she was born to love.

This is #3 in Night Riders Series.

From reader reviews:

Roger Dupre:

Book is to be different for every single grade. Book for children till adult are different content. We all know that that book is very important normally. The book Born to Love seemed to be making you to know about other expertise and of course you can take more information. It is rather advantages for you. The guide Born to Love is not only giving you much more new information but also to get your friend when you experience bored. You can spend your own spend time to read your book. Try to make relationship with the book Born to Love. You never experience lose out for everything if you read some books.

Paul Henson:

Here thing why this particular Born to Love are different and trustworthy to be yours. First of all looking at a book is good nonetheless it depends in the content than it which is the content is as scrumptious as food or not. Born to Love giving you information deeper and in different ways, you can find any publication out there but there is no reserve that similar with Born to Love. It gives you thrill looking at journey, its open up your current eyes about the thing in which happened in the world which is possibly can be happened around you. You can easily bring everywhere like in park, café, or even in your way home by train. For anyone who is having difficulties in bringing the printed book maybe the form of Born to Love in e-book can be your alternative.

Karen Bell:

Information is provisions for those to get better life, information these days can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider when those information which is inside the former life are difficult to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you get the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Born to Love as your daily resource information.

Latoya Palos:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs.

As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Born to Love can make you really feel more interested to read.
