Essential Orthopaedics: Expert Consult - Online and Print, 1e By Mark D. Miller MD, Jennifer Hart PA-C ATC, John M. MacKnight MD

With an estimated 40 million Americans dealing with musculoskeletal disorders, it's likely that many of these patients will turn to you first for treatment. Now, it's easier than ever to enhance your orthopaedic knowledge and skills...so you can manage more of these problems in your practice! Noted authority Mark D. Miller, MD, together with a stellar editorial team and numerous contributors representing a breadth of specialty areas within orthopaedics and primary care, offers you the comprehensive, multidisciplinary insight you need to confidently diagnose and treat sprains, fractures, arthritis and bursitis pain, and other musculoskeletal problems, or refer them when appropriate. Videos on DVD demonstrate how to perform 29 joint injections, 7 common physical examinations, a variety of tests, and 6 splinting and casting procedures. Online, in print, and on DVD, the new Essential Orthopaedics equips you to conquer the MSK challenges you'll see more and more in everyday practice.

- Includes online access via expertconsult.com, enabling you to search the complete contents of the text, perform quick searches, and download all of the images.
- Presents multidisciplinary coverage that provides authoritative orthopaedic guidance oriented towards the practical realities of primary care practice.
- Offers videos on DVD demonstrating how to perform 29 joint injections, 7 common physical examinations, a variety of tests, and 6 splinting and casting procedures.
- Features templated chapters containing procedural and non procedural sections in a bulleted format that makes finding the guidance you need quick and easy.
- Uses a joint-by-joint organization that provides a close look into regions of the body that are closely related and helps you diagnose more efficiently.
- Contains standard chapter elements such as ICD-9 codes, physical examination, diagnostic imaging, additional tests, differential diagnosis, treatment, patient instructions?and many more?providing all the answers you need on 300 conditions.
- Includes key concepts, clearly depicted in color images and drawings that help you make decisions with exact visual guidance.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should access to the web site be discontinued.

Editorial Review

Users Review

From reader reviews:

Jennifer Howard:

Do you certainly one of people who can't read pleasant if the sentence chained inside straightway, hold on guys this specific aren't like that. This Essential Orthopaedics: Expert Consult - Online and Print, 1e book is readable by you who hate the straight word style. You will find the data here are arrange for enjoyable examining experience without leaving perhaps decrease the knowledge that want to offer to you. The writer connected with Essential Orthopaedics: Expert Consult - Online and Print, 1e content conveys the idea easily to understand by most people. The printed and e-book are not different in the articles but it just different in the form of it. So , do you still thinking Essential Orthopaedics: Expert Consult - Online and Print, 1e is not loveable to be your top list reading book?

Gale Velez:

Why? Because this Essential Orthopaedics: Expert Consult - Online and Print, 1e is an unordinary book that the inside of the publication waiting for you to snap this but latter it will zap you with the secret that inside. Reading this book adjacent to it was fantastic author who write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking way. So , still want to postpone having that book? If I were being you I will go to the publication store hurriedly.

David Swanson:

This Essential Orthopaedics: Expert Consult - Online and Print, 1e is brand new way for you who has curiosity to look for some information because it relief your hunger details. Getting deeper you on it getting knowledge more you know or you who still having tiny amount of digest in reading this Essential Orthopaedics: Expert Consult - Online and Print, 1e can be the light food for you because the information inside this specific book is easy to get simply by anyone. These books develop itself in the form which can be reachable by anyone, yes I mean in the e-book type. People who think that in publication form make them feel sleepy even dizzy this guide is the answer. So there is no in reading a publication especially this one. You can find actually looking for. It should be here for anyone. So , don't miss this! Just read this e-book style for your better life in addition to knowledge.

Melvin Dwyer:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Essential Orthopaedics: Expert Consult - Online and Print, 1e can make you experience more interested to read.
