Iglesia Simple: Como volver al proceso Divino de hacer discipulos (Spanish Edition) By Thom S. Rainer, Eric Geiger

Ya ha comenzado la revolución de lo sencillo. Las ideas sencillas están cambiando el mundo. Una prueba de ello es el diseño del reproductor de música iPod y la discreta página inicial del buscador Google en Internet.

El libro Iglesia simple convoca claramente a los cristianos a volver a los métodos sencillos de evangelización de Jesús. Por decirlo de algún modo, "sin bombos ni platillos".

Los autores, Thom Rainer y Eric Geiger, se basan en estudios de caso realizados en 400 iglesias estadounidenses para demostrar que, muy a menudo, el proceso de hacer discípulos se ha vuelto demasiado complicado.

Las iglesias simples están prosperando, y lo logran porque se toman en serio estas cuatro ideas: Claridad. Movimiento. Alineación. Enfoque. En la obra se examina cada idea para demostrar sencillamente por qué ha llegado la hora de simplificar.

Now available in Spanish!

The simple revolution has begun. From the design of the iPod to the uncluttered Google home page, simple ideas are changing the world. Simple Church clearly calls for Christians to return to the simple gospel-sharing methods of Jesus. No bells or whistles required, so to speak.

Based on case studies of four hundred American churches, authors Thom Rainer and Eric Geiger prove that the process for making disciples has quite often become too complex. Simple churches are thriving, and they are doing so by taking these four ideas to heart: Clarity. Movement. Alignment. Focus.

Each idea is examined here, simply showing why it is time to simplify.
