The Healing Consciousness: A Doctor's Journey to Healing By Beth Baughman DuPree

The Healing Consciousness is the journey of one woman who is a breast cancer surgeon. She learned over years of practice and surgery that there is a significant difference between curing, and healing. Sometimes she can help a patient to total cure of cancer, and sometimes she can help the patient to heal from fear and into peace as well. Beth has come to believe that Western medicine is but a small part of the service she provides.

Editorial Review

Review

The Healing Consciousness is a joy. Every doctor Beth touches, whether in person or through her book, will be enriched. Every patient will have more understanding and more hope. --Brian L Weiss, MD Many Lives, Many Masters

The Healing Consciousness is enthusiastically recommended reading for those with an interest in alternative medicine, the healing arts, holistic health, personal spiritual development, emotional self-improvement, and adaptive strategies to dealing with stress, illness, and the inevitable hardships that all of us will encounter from time to time. No personal improvement reading list or community library self-help reference collections should fail to include this book. --Small Press Book Watch JULY 2006

The Healing Consciousness resonated deeply with me and reflected my own healing journey back to me. Dr DuPree is that wondrous combination -- a true healer with excellent Western training and surgical skills. Her book illuminates the path all must take to become happy and whole --Christiane Northrup, MD Mother Daughter Wisdom

About the Author

Beth Baughman DuPree, MD is a breast surgeon in Bucks County, Pennsylvania. She has a personal and an energetic connection to her patients. This is often as important as the surgery and chemotherapy she performs. Beth is the youngest of seven, married, with two sons. She is a graduate of the University of Pittsburgh, Hahnemann Medical School and medical/surgical residency at Albert Einstein Medical Center in Philadelphia.

Users Review
