### Coyote Blue: A Novel By Christopher Moore

From master of subversive humor Christopher Moore comes a quirky, irreverent novel of love, myth, metaphysics, outlaw biking, angst, and outrageous redemption.

As a boy, he was Samson Hunts Alone—until a deadly misunderstanding with the law forced him to flee the Crow reservation at age fifteen. Today he is Samuel Hunter, a successful Santa Barbara insurance salesman with a Mercedes, a condo, and a hollow, invented life. Then one day, destiny offers him the dangerous gift of love—in the exquisite form of Calliope Kincaid—and a curse in the unheralded appearance of an ancient god by the name of Coyote. Coyote, the trickster, has arrived to reawaken the mystical storyteller within Sam...and to seriously screw up his existence in the process.

### Amazon.com Review

This is an accelerating comedy with shadows setting off the wry, polished humor. Trickster deities thrive on contrariety, which is why one finds them bringing life into dead landscapes and disorder into order. A Santa Barbara insurance salesman's too-tidily-contained lifestyle, far from the Crow reservation he grew up on, is an irresistible target for Coyote, who wants to make sure his chosen people don't forget him. Coyote descends on Sam Hunter like one of Job's plagues, albeit a charmingly disingenuous one. "Why me? Why not someone who believes?" asks Sam, suffering from god-induced chaos. "This is more fun," says Coyote. He's right.

### From Publishers Weekly

A lonely Crow Indian turned yuppie insurance salesman seeks the power of an ancient Indian god to give him enough courage to approach the woman of his dreams.

Copyright 1995 Reed Business Information, Inc.

### From Library Journal

"There ain't no cure for Coyote Blue," writes Moore ( *Practical Demonkeeping* , LJ 1/92) to explain the mystifying and outrageous chain of events that alters Sam Hunter's life forever. As a teenager, Samson Hunts Alone runs away from the Crow Reservation to avoid standing trial for murder. Twenty years later he has changed his name, become a partner in a successful insurance agency, and all but forgotten his Indian upbringing. Coyote, an ancient Indian god known as a trickster by the Crow, is determined that it is time for Sam to fulfill his destiny as storyteller for his tribe. To that end, Coyote leads Sam on a merry chase--interfering in business, disturbing the neighbors, introducing love, and inciting a motorcycle gang to riot, all in a fantastic plot to lead Sam home. This novel is at once irreverent, spiritual, and wonderfully fresh in approach. An absolute must for adults and mature teens alike.
