**Dentista sinistra (Portuguese Edition)** By David Walliams

O novo livro de David Walliams vai surpreender os leitores com uma história horripilante, mas também muito engraçada. Alfie é um menino de 12 anos que tem pavor de dentista. Ele tem tanto medo que há seis anos não pisa em um consultório dentário, desde que sofreu um grande trauma ao arrancar um dente.

Quando uma nova dentista chega à cidade, Alfie percebe que há algo sinistro em torno dela. Ele e a amiga Gaby resolvem dar uma de detetives, a fim de descobrir por que a nova dentista, a Srta. K. Nall, anda distribuindo doces sem açúcar e uma pasta de dentes que mais parece um ácido capaz de fazer buraco em pedras.

Mas o pobre Alfie vai se ver em uma grande enrascada quando sua investigação o levar a ficar amarrado na cadeira da dentista enquanto ela arranca todos os seus dentes.

“Os livros de David Walliams são uma deliciosa lufada de ar fresco.” **The Sun**
