## Hyperbole in English: A Corpus-based Study of Exaggeration (Studies in English Language) By Claudia Claridge

Non-literal language is ubiquitous in everyday life, and while hyperbole is a major part of this, it has so far remained relatively unexplored. This volume provides the first investigation of hyperbole in English, drawing on data from genres such as spoken conversation, TV, newspapers, and literary works from Chaucer to Monty Python. Combining quantitative and qualitative analyses, it uses approaches from semantics, pragmatics, discourse analysis and classical rhetoric, to investigate in detail both speaker-centered and emotive aspects of hyperbole, and also addressee-related aspects, such as interpretation and interactional uptake. Illustrated with a range of diachronic case studies, hyperbole is also shown to be a main means of linguistic creativity, and an important contributor to language change. The book concludes with an exploration of the role of hyperbole in political speaking, humour, and literature. Original and in-depth, it will be invaluable to all those working on meaning, discourse, and historical linguistics.

### **Editorial Review**

#### **About the Author**

Claudia Claridge is Chair in English Linguistics at the Universität Duisburg-Essen, Germany. She is one of the compilers of the Lampeter Corpus of Early Modern English Tracts and is the author of *Multi-word Verbs in Early Modern English* (2000), based on the above corpus. Her main research interests lie in the fields of historical linguistics, pragmatics, discourse studies, and corpus linguistics. Within these fields, she has published articles on such diverse topics as irony, similes/comparison, superlatives, questions, conditionals, and discourse deixis. She has also contributed articles to various recent handbooks, such as the *Handbook of Corpus Linguistics* (2008) and the *Handbook of Historical Pragmatics* (2010).

### **Users Review**

#### **From reader reviews:**

##### **Walter Crouse:**

As people who live in typically the modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era that is always change and advance. Some of you maybe will update themselves by looking at books. It is a good choice for you personally but the problems coming to you is you don't know what kind you should start with. This *Hyperbole in English: A Corpus-based Study of Exaggeration (Studies in English Language)* is our recommendation to help you keep up with the world. Why, as this book serves what you want and want in this era.

##### **Andrew Murphy:**

Nowadays reading books become more and more than want or need but also be a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The data you get based on what kind of publication you read, if you want drive more knowledge just go with schooling books but if you want really feel happy read one using theme for entertaining for example comic or novel. The *Hyperbole in English: A Corpus-based Study of Exaggeration (Studies in English Language)* is kind of e-book which is giving the reader unpredictable experience.

##### **Katie Duffy:**

*Hyperbole in English: A Corpus-based Study of Exaggeration (Studies in English Language)* can be one of your beginning books that are good idea. All of us recommend that straight away because this guide has good vocabulary that may increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The writer giving his/her effort that will put every word into delight arrangement in writing *Hyperbole in English: A Corpus-based Study of Exaggeration (Studies in English Language)* yet doesn't forget the main stage, giving the reader the hottest along with based confirm resource facts that maybe you can be one of it. This great information could drawn you into completely new stage of crucial

contemplating.

**Luther Jensen:**

This *Hyperbole in English: A Corpus-based Study of Exaggeration (Studies in English Language)* is great book for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. This specific book reveal it facts accurately using great coordinate word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but challenging core information with beautiful delivering sentences. Having *Hyperbole in English: A Corpus-based Study of Exaggeration (Studies in English Language)* in your hand like finding the world in your arm, facts in it is not ridiculous one particular. We can say that no book that offer you world throughout ten or fifteen second right but this reserve already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still doubt that?
