## **Editorial Review**

From the Author

"Your culture teaches you to smile at others, but such smiles are only momentary and do not reflect your real feelings. Actually, there should be a perennial and real smile on your face all the time. To achieve that, you should have a clear concept of the meaning in life, and the philosophy of life. Then, you will start to live on a deeper level, and will begin to enjoy your life." (Swami Rama)
