### THE TWELVE STEPS A Spiritual Journey A Working Guide for Healing

*By Revised Edition (Preface)*

The twelve steps adapted for women which provides spiritual guidance such as biblical verses to relate to each step. The book and study guide were recommended by Hazelden as a spiritual approach for women to have a more in depth, or unique approach in working through the study guide. I also have the book, in new condition, which accompanies the study guide if requested for a very small charge: to share the message in a unique format that women can often relate to : esp. when they have a faith that uses biblical principles.
