Anthony's Boy: The Prince of Bath Avenue; The True Story of Former Bonanno Family Hitman, Joey Calco (True Crime Series Book 1) By Richard Stanley Cagan

Joseph “Joey” Tommy Calco was a former Bonanno crime family assassin, enforcer, and hit man. His story is told to the author in Calco’s own words. The perimeter scratches of his life were recorded in the newspapers from New York City to Florida and from coast to coast in the United States starting the explosive search by underworld mobsters to finally kill the mafia hit man who turned government informer when he gave up ranking high members of the Family including its consiglieri, Anthony Spero. Calco was placed in the federal Witness Protection Program. Things moved along uneventfully for Joey Calco until fate brought him face to face with the “Night of the Calzone”. Then all hell broke loose and the New York City Mafia’s ears pricked up like the ears of a leopard. Then the hunt began.

This is Calco’s story...
