Boys on Film By Lily G. Blunt

What would happen if a gay porn star fell in love with a writer of erotic m/m novels?

Set in an opulent house in San Diego that also serves as a porn studio, the story follows Stefan as he falls in love with Nate, a budding author from England, and in the process comes out as gay. Despite working in a gay porn studio and having sex with his best buddy on a regular basis, Stefan outwardly claims to be straight, although he enjoys the sex and substantial pay from his gay videos. This changes when he meets Nate, who has been given the opportunity to observe the inner workings of Blue House Film Studios to add realism to his latest erotic novel.
