Formulating Responses in an Egalitarian Age (The Orthodox Forum Series)

From Rowman & Littlefield Publishers

At first glance, Orthodox Judaism is not compatible with the prevailing world view of equal treatment for all people, regardless of their race, gender or religion. But modern Orthodox Jews share the sense that egalitarianism is a positive moral value, so they cannot simply dismiss this contemporary ethos as incompatible with their faith. In a range of ways and variety of perspectives from the leading Orthodox scholars in the field, this collection of essays explores the affinities and disaffinities between egalitarianism and Jewish tradition.
