Editorial Review

About the Author

Ricardo Calca is a trader/author/mentor who has been in the investment and trading business for 5 years.

He enjoys blogging and writing books to help new and aspiring investors and traders helping them save time off their long learning curve.

The information in some of his books is controversial. Smart money does not want new traders to know this information because they count on brand new traders not knowing this information in order to make money and get paid from them.

Ricardo pulls back the curtain of the market and lets brand new traders see what is really going on and who is in control. Learn to spot the smart money on a price chart controlling the market and make money right along with them.

His newbie day trader series is for brand new traders who have no knowledge of the market and are looking for the best starting information they can get to have a chance to become successful as a retail trader.

Ricardo gives you that and then some.

Ricardo Calca is an avid traveler and enjoys the trader lifestyle that everyone is always talking about. He actually lives it.
