Rebels of Gor (Gorean Saga) By John Norman

John Norman takes you on a journey to “World’s End,” a set of once-unknown islands far west of the continental mainland. Lying across vast, turbulent Thassa, these mysterious islands were reached for the first time during the historic voyage of the ship of Tersites. Now this remote locale has been chosen by two warring, technologically advanced species—the bestial, imperialistic, predatory Kurii, and the retiring, secretive Priest-Kings, the “gods of Gor.” On this all-too-real “gaming board,” a roll of the dice will determine the fortunes and fate of Gor—and perhaps that of Earth. Few realize the momentous nature of the conflict, seeing in it no more than a local war for territory and power. Those who grasp the dimensions of the game realize that the stakes are nothing less than the world itself.

Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire.

***Rebels of Gor* is the 33rd book in the Gorean Saga, but you may enjoy reading the series in any order.**

Editorial Review

About the Author

John Norman, born in Chicago, Illinois, in 1931, is the creator of the Gorean Saga, the longest-running series of adventure novels in science fiction history. Starting in December 1966 with *Tarnsman of Gor*, the series was put on hold after its twenty-fifth installment, *Magicians of Gor*, in 1988, when DAW refused to publish its successor, *Witness of Gor*. After several unsuccessful attempts to find a trade publishing outlet, the series was brought back into print in 2001. Norman has also produced a separate science fiction series, the Telnarian Histories, plus two other fiction works (*Ghost Dance* and *Time Slave*), a nonfiction paperback (*Imaginative Sex*), and a collection of thirty short stories, entitled *Norman Invasions*. *The Totems of Abydos* was published in spring 2012.

All of Norman's work is available both in print and as ebooks. The Internet has proven to be a fertile ground for the imagination of Norman's ever-growing fan base, and at Gor Chronicles (www.gorchronicles.com), a website specially created for his tremendous fan following, one may read everything there is to know about this unique fictional culture.

Norman is married and has three children.
