Templars: The Rise, Fall & Survival of the Knights Templar By Sanford Holst

Mysteries about the Knights Templar are at the heart of this exploration into the lives of extraordinary people who shaped this legendary order. Their intriguing stories shed new light on the forces that propelled Hugh de Payens and his Templars to positions of exceptional influence in the Medieval world. Templar links to Solomon's Temple have emerged as being more important than previously thought, and even added to the incredible wealth that filled their coffers. The rise of these knights also increased the power of the Vatican, whose later attacks on the Templars came back to haunt it. Walter de Clifton and other real-life Templars left testimony that revealed how they survived the arrests and executions that decimated their brotherhood in 1307. Living as outcasts, these once-powerful knights contributed to the fall of kings in Europe and the Vatican's loss of its dominant position. Their actions still influence our lives today.

Editorial Review

Review

"It's gripping reading, well researched, with clear differences between history and speculation--a hard book to put down."

-- *Scottish Rite Journal*

About the Author

Sanford Holst is the noted historian who wrote Amazon's #1 book on the Phoenicians--the people who helped build Solomon's Temple. The papers he presented at universities in the USA and overseas resulted in his being elected to the prestigious Royal Historical Society in England. In researching the Knights Templar he explored archives and historic sites from Scotland to the Holy Land, and benefited from the work of many local experts. His informative websites are read by more than half a million people each year.

Users Review

From reader reviews:

Corrina Sutton:

Book is definitely written, printed, or highlighted for everything. You can recognize everything you want by a reserve. Book has a different type. We all know that that book is important thing to bring us around the world. Adjacent to that you can your reading expertise was fluently. A guide Templars: The Rise, Fall & Survival of the Knights Templar will make you to be smarter. You can feel far more confidence if you can know about every little thing. But some of you think which open or reading any book make you bored. It's not make you fun. Why they are often thought like that? Have you searching for best book or suited book with you?

Louis Hartford:

This Templars: The Rise, Fall & Survival of the Knights Templar book is just not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book will be information inside this publication incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This particular Templars: The Rise, Fall & Survival of the Knights Templar without we know teach the one who examining it become critical in imagining and analyzing. Don't become worry Templars: The Rise, Fall & Survival of the Knights Templar can bring if you are and not make your case space or bookshelves' grow to be full because you can have it in your lovely laptop even cellphone. This Templars: The Rise, Fall & Survival of the Knights Templar having good arrangement in word and layout, so you will not experience uninterested in reading.

Rosalind Bowlin:

Here thing why this kind of Templars: The Rise, Fall & Survival of the Knights Templar are different and

reliable to be yours. First of all examining a book is good but it depends in the content of the usb ports which is the content is as yummy as food or not. Templars: The Rise, Fall & Survival of the Knights Templar giving you information deeper including different ways, you can find any publication out there but there is no e-book that similar with Templars: The Rise, Fall & Survival of the Knights Templar. It gives you thrill reading through journey, its open up your eyes about the thing that happened in the world which is maybe can be happened around you. It is easy to bring everywhere like in recreation area, café, or even in your way home by train. When you are having difficulties in bringing the branded book maybe the form of Templars: The Rise, Fall & Survival of the Knights Templar in e-book can be your substitute.

Mildred Lucas:

What is your hobby? Have you heard which question when you got learners? We believe that that issue was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person just like reading or as reading through become their hobby. You must know that reading is very important as well as book as to be the point. Book is important thing to include you knowledge, except your teacher or lecturer. You will find good news or update regarding something by book. A substantial number of sorts of books that can you go onto be your object. One of them is this Templars: The Rise, Fall & Survival of the Knights Templar.
