You Can Begin Again: No Matter What, It's Never Too Late By Joyce Meyer

It's never too late for a new beginning. Look closely and you'll see that theme all through the Bible. Page after page, God delights in turning tragic endings into new beginnings. A childless woman conceives in her old age; a fearful, self-conscious shepherd becomes a leader of millions; and a prostitute becomes a wife and mother in the lineage of Christ. Every biblical fresh start reveals the amazing, awe-inspiring hope we have for our own new beginnings in God's plan for our lives.

In **YOU CAN BEGIN AGAIN**, bestselling author Joyce Meyer explores the beauty and infinite supply of God's love and grace. Through inspiring stories, Scriptural principles, and her classic practical, life-application approach, Joyce powerfully demonstrates that God isn't done with you yet.

If you're stuck in a rut, disappointed by an outcome, hurting from a wound, failing in an endeavor, struggling in a relationship, or unsure about the future. . . don't give up. Don't give up on yourself, and don't give up on the God Who loves you and offers you a new beginning today.

Best-selling Christian author and speaker Meyer offers her patented blend of scriptural stories and inspiring tales. Meyer divides the book into three sections: New Beginnings, What's Stopping You?, and Today Is Your Day. The text is full of stories from ordinary people who were stuck and became unstuck. She juxtaposes these with comparable Bible stories as well as personal anecdotes. Scattered throughout is practical advice such as making up your mind to live differently, understanding your history is not necessarily your destiny, forgiving those who have hurt you, letting go of past mistakes, and the value of small beginnings. Some of the it's-never-too-late stories are of well-known people such as Harland Sanders of Kentucky Fried Chicken fame; Lauren Scruggs, the fashion journalist and blogger who lost her left eye and severed her left arm in a horrific accident; and the persistence of a carpenter-turned-actor named Harrison Ford. Whether her subjects are famous or not so famous, Meyer makes sure there is always a lesson to be learned. Sure to resonate with Meyer's many fans. --June Sawyers
